Let Antique Pickers sell the personal property and we will sell the house. This program has been widely successful. By our introducing the property for sale in conjunction with the estate sale it's like magic. The allure of an estate sale draws a lot of attention. 100's of people will attend the estate sale and all will see that the house is new to the market and “for sale”. The buzz is amazing. Since this program was introduced we have noticed houses sell faster and for more money when presented as part of the estate sale. Many houses are under contract by the end of the estate sale. A couple of other positive things have been very clear to our clients...We are getting top dollar and we are selling the houses “as is” without asking the owners to make repairs prior to putting it on the market. This program is perfect for anyone settling an estate, moving, downsizing, etc. Call us today so we can do what we do best “SELL YOUR ENTIRE ESTATE”!

**The Children's Miracle Network** receives a portion of the proceeds each time someone signs up with our all inclusive “EASY DOES IT” program.
