LLANO, TEXAS- The Antique Pickers Back Roads Tour will be conducting a special event **Saturday, August 6th**. The event will be held at the **Days Inn Hotel** from 9am TO 5pm. Admission is free and no appointment is needed.

During this event local area residents are invited to bring in their antiques, collectibles, old coins, gold jewelry, broken jewelry, sterling silver and more. Antique Picker Experts will be on hand to value and purchase all types of items. If you are looking for information on any antique items, family heirlooms or if you have items you may be interested in selling you need to come to this event. Its free, it's fun and could fill your pockets with some cold hard cash.

The Antique Picker Experts have some advise for those that want to attend the event. Jeff, one of the Antique Pickers said people ask him all of the time what kind of items they are interested in purchasing. So here are the top ten items they will be paying cash for during this event.

1. Old Coins & Coin Collections
2. Broken Gold Jewelry
3. Diamonds (All Sizes)
4. Old Toys
5. Sterling Silver Flatware

6. Old Pocket & Wrist Watches
7. Gold & Silver Bullion
8. Old Military Items
9. Costume Jewelry
10. Anything OLD!!

Heres a few more things you may want to know. There is no limit to the number of items you can bring in. You should not clean items as you can do substantial damage to the originality and decrease the value greatly. If you are bringing in old coins you can save a lot of time by sorting them by type. If you bring in jewelry the experts will sort out the gold and silver from the costume. If you bring a large coin collection be prepared to stay a while as all coins will need to be checked for key dates, high grades, etc. Trust me it will be worth the wait! If you like the way these guys do business you can return again and again. These guys love cookies and baked goods....Im just sayin...

The Antique Picker Experts are interested in buying all items that are old! They travel to cities throughout the United States in search of treasures. Over the years the group has traveled to more than 2000 cities and purchased from over 1 million individuals. The group is well respected for their vast knowledge and treating people fairly. During their travels they have uncovered and purchased some of the world's rarest coins and most unusual items. Here are just o few of those items.
